Nature of Noncompliance: On May 20, 2022, due to several diluted drug tests, a sweat patch was applied to Reyes. The patch was removed from the defendant and returned positive for cocaine, opiates, and marijuana.

U.S. Probation Officer Action: The defendant began attending treatment services for dual disorders and submitting to random drug testing in October 2020. In July 2021, the defendant's drug testing intensity was increased due to a positive drug test. Reyes completed drug treatment this year; however, is requesting intensive drug treatment and wanting to continue in drug treatment to address his illegal drug use. The defendant has abstained from the use of any illegal drugs and has submitted to several urine samples the last 3 months and results have returned negative. Prior to the violation, the defendant had submitted 12 negative urine samples. If the defendant incurs any further violations, the Court will be immediately notified. Accordingly, the Court reserves the right to revisit this allegation in the future.
